Whereas we believe Kenai District Attorney Scot Leaders and Judge Jennifer Wells, in violation of Article 1, Section 8 of the Alaska Constitution and AS 12.40.040, illegally prevented Kenai Grand Juror Ray Southwell from disclosing, to the other jurors, his evidence and belief triable crimes were committed by numerous State Officials within Alaska's Judicial System (including crimes by DA Leaders, judge investigator Marla Greenstein, Troopers, and Alaska judges) – and that this concerns a risk to the public's welfare and safety.

We the undersigned also certify we have not signed a name other than our own, have not signed this petition more than once, and that we are citizens of Alaska.

Whereas we believe Kenai District Attorney Scot Leaders and Judge Jennifer Wells, in violation of Article 1, Section 8 of the Alaska Constitution and AS 12.40.040, illegally prevented Kenai Grand Juror Ray Southwell from disclosing, to the other jurors, his evidence and belief triable crimes were committed by numerous State Officials within Alaska's Judicial System (including crimes by DA Leaders, judge investigator Marla Greenstein, Troopers, and Alaska judges) – and that this concerns a risk to the public's welfare and safety.

To: Mr. David Haeg

This is Jack Riggs, we talked a little yesterday on the phone.

I have a fair idea of what's going on & would like to help any way I can!

Corruption in our system is nothing new, only got worse over time.

Don't know if you lived in AK. in the 50's + 60 when it was a good state. In 1959 at the time of statehood things started going down hill. Big problem is money, power & greed.

I've run 2 businesses, ~~and~~ spend 4 years on the fish & game advisory board & ~~wrote~~ wrote many letters, trying to make positive changes. Had a petition

(3)

use I've been there. I'd offered every dollar in whole world to go through my battle again, I would tell it goes to Hell! Not worth the problems.

Oh wish you the best & all on any way I can. I also you got a very large turn - I'm really going to try & make my help is appreciated! I'm honest & use to be proud A Alaskan but I'm not over sad but true most don't want to get involved.

Good luck!

Tack Riggs

Against state for years. Didn't help. Answer was always the same, thank you for your concern, but stay out of our business.

Another big problem is people you can take any 10 people in any kind of work. Doctors, lawyers, D. J.'s Judges & you will find about 1 out of 10 that are worth their salt & believe there are more car up trooper's than not. Some people get on a power trip. I've talked to many Alway's & found far more bad one's than good.

One thing you need to understand is stress, it causes a lot of problems stress is #1 killer! It's worth your health? After our short talk & believe your mother is eating on you 7-24's & has been beat part of 14 years. I know

I think, addressing
the concerns put
forth by Mr. Ray Southwell
regarding judicial and public
safety issues in Alaska,
that an independent special
Grand Jury be appointed to
investigate Alaska's judicial
system. To have the concerns
brought to light by Mr. Southwell
ignored is the kind of thing
our country's founders were
deceiving. It's inexcusable.

Howdy -

4-16-18

HAVING received the mailer,
"Judicial Corruption" today, I'm moved to write.

I was ripped off twice, in '04 & the DA
only contacted me at the end of the hearing/trial,
~~was~~ WAS I O.K. with getting less return
from the thieves than what my property was
worth, "BECAUSE it's old". It sounded like
he just wanted it all off his desk & done with.
I WAS given around \$500.- for more than
\$9000.- worth of belongings, many of which could
not be replaced.

Do I think there is corruption? Oh Yes!

This story of DA's & judges hush-hushing
something doesn't even RAISE AN EYEBROW.
We ALL know it happens. But what CAN a body
do?!?

¹⁷
^{SP} I'm glad to lend my voice in this
concern. - I do not do Internet or Texting

We hereby request that an independent Special Grand Jury investigate Alaska's judicial system.

We have personal experience with the corruption in Alaska's judicial system. We have experienced judges ignoring the Alaskan Constitution, denying defendant's request for an evidentiary hearing, ignoring defendant's habeus corpus petition, and many instances of refusing to examine evidence.

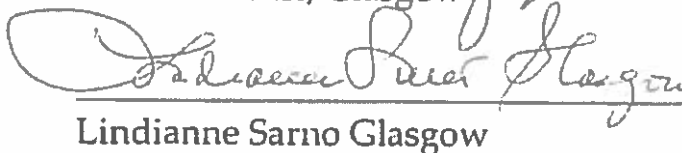

Refusals to examine evidence erode the foundation of any judicial system. Refusing to permit a Grand Juror to disclose evidence to other Grand Jurors speaks of deep corruption in Alaska's judicial system.

We support the Truth, Justice and Reconciliation way to reform Alaska's corrupt judicial system: everyone gets the truth, nobody goes to jail.

PETITION FOR INDEPENDENT SPECIAL GRAND JURY INVESTIGATION INTO
JUDICIAL SYSTEM CORRUPTION WITHIN ALASKA

Starting with Former Kenai Grand Juror Ray Southwell's Evidence
and with Henry F. Schuelke as the Jury's Independent Counsel.

Page _____ of _____
(We will fill this in)

Whereas we believe Kenai District Attorney Scot Leaders and Judge Jennifer Wells, in violation of Article 1, Section 8 of the Alaska Constitution and AS 12.40.040, illegally prevented Kenai Grand Juror Ray Southwell from disclosing, to the other jurors, his evidence and belief triable crimes were committed by numerous State Officials within Alaska's Judicial System (including crimes by DA Leaders, judge investigator Marla Greenstein, Troopers, and Alaska judges) – and that this concerns a risk to the public's welfare and safety.

We the undersigned also certify we have not signed a name other than our own, have not signed this petition more than once, and that we are citizens of Alaska.

My name is Deborah Holland, 2901 Leawood Dr, Anchorage, AK 99502. It is my opinion that there have been some unethical or concerning cases presented before the state's judiciary.

I personally witnessed the heavy handed, biased, and harsh treatment of Judge William Morse. There was extreme prejudice practiced.

I also witnessed the Supreme Court Judges make an illegal ruling on distribution of the full PFD.

Something smells in our judges chambers. Please investigate and penalize those guilty of unethical and illegal behavior.

To whom it may concern:

I REQUEST AN INDEPENDENT SPECIAL GRAND JURY INVESTIGATION OF ALASKA'S JUDICIAL SYSTEM

My family has experienced first hand how corrupt our system truly is here in Alaska.

Ocs and the State of Alaska has actively and unethically protected an abusive mother and has completely disregarded daughter. The mother has had assault 4 charges along with multiple reports of domestic violence against children and threats of suicide and threats of killing me personally just to name a fraction of the whole story.

Filing against this atrocious organization has such negative effects that we as a family have ZERO confidence in the Ocs commits perjury in the courts to which they have no regard for their Felonious organization.

Ocs and the State of Alaska traffic children for monetary gain and they have ZERO interest in the best interest of

I fully support David Haeg and all of the parents and people who stand up for what's right against this grassly une destroys families.

God Bless

We would like to join David Haeg, Thomas Garber, and all other Alaskans, to request an independent Special Grand Jury to investigate Alaska's Judicial System.

Alaska rates in the top 10 in corruption and number 5 in deaths from opiods, prescribed by Alaska's So-Call-Doctors, all paid off by BIG Pharm, and the corrupt system of things. We do not have much hope in this EVIL system of things, but have faith and hope in Our Father In Heaven, Jehovah, who will give us all that we need to ENDURE. A God of Love, and Comfort, to all those who draws close to him.

With the Truth,
