Esteemed guardians of justice,

I humbly ask, for the sake of my family, that you take this plea for help seriously. Please read the motions I filed with the Court of Appeals, the response from the State, the order from the Court of Appeals, and my subsequent request for clarification and reconsideration. The only document I am not including are the copies of the 15 motions consisting of 175 pages, filed in District Court - copies of which are in the Court of Appeals record. These can be copied and sent if you need them or will be available shortly on the website we are working on: www.alaskastateofcorruption.com.

Afterward please advise me if I am being treated fairly. If I am not my family and I would be forever indebted for your help and/or advice in protecting the constitutional right to fundamentally fair procedures for everyone.

I thank you in advance for your help.

Sincerely,

David. S. Haeg
