RE: Trial Court Case #4MC-S04-024 Cr.
Appellate Case No.: A-09455

Dear Aniak District Court:

May I please have a copy of everything that was admitted into my record during the representation remand from the Court of Appeals? I would like copies of all the tapes, motions filed, replies, and all the orders. I would also like to know the motions that were stricken from the record and also if these remand proceedings are part of the record of my case or if these remand proceedings were also stricken from the record. I also want to know if this record was forwarded to the Court of Appeals.

Let us know the price of making the copies if you can by email or fax so we may get you a check.

Thank you.

Sincerely,

David S. Haeg, Pro Se Appellant
